10. When are the Rights deposited to the accounts of the unitholders?

The Rights will be deposited in the Depository account or brokerage account of each unitholder where his or her existing units are held one day after the Eligibility Date. The Rights will appear in the accounts of the unitholders under a new symbol (AMCREIT-RI) that designates these Rights.

11. How are unitholders notified of the deposit of Rights in their accounts?

Unitholders will be notified that the Rights have been deposited into their accounts through an announcement on the website of the DFM. If a unitholder has not received Rights but believes that he or she should have received such Rights, they should contact FAB's call center at +971 2 6161800; or the Fund Manager's call center at +971 4 360 1133.

12. Can I subscribe to just some of the Rights?

Yes. You may decide to use a portion of your Rights to buy new units and sell or do nothing with the rest of your Rights. However, your percentage ownership of Al Mal Capital REIT will decrease (please see Question No. 21 below, for further details).

13. Does a unitholder have to subscribe for New Units?

It is for you, as a unitholder, to decide for yourself whether to subscribe or not. If you decide not to subscribe, you may sell your Rights or do nothing with them. The Rights will be tradable on the DFM from Monday the 26th of February 2024 to Friday the 15th of March 2024. However, please note that your percentage ownership of Al Mal Capital REIT will decrease (please see Question No. 21 below, for further details).

14. Can I sell my Rights – can they be traded?

Yes, a Right is an option to buy units - but you are not obligated to do so. You may decide that you do not want to exercise your Rights to subscribe to some or all of the new units to which you are entitled. In this case, you may sell some or all of your Rights to another investor at their market value. To sell your Rights, you should contact a broker registered and licensed by the DFM. The Rights will be tradable on the DFM under the ticker “Al Mal Capital REIT Rights issue” during the Rights trading period, which runs from Monday the 26th of February 2024 until Friday the 15th of March 2024.

15. How much will I be able to receive if I trade my Rights?

The price of the Right upon commencement of trading will be determined by the market-approved opening price calculation mechanism and accordingly the Rights will be traded by market supply and demand.

16. Can I subscribe to more units than my Rights allows?

Yes. You can subscribe for more units than your Rights during the subscription period between Monday the 4th of March 2024 to Friday the 22nd of March 2024, where you will need to pay for the full number of units you wish to subscribe for. If holders of Rights do not exercise their Rights to subscribe in full for all of the new units, the remaining units will be allocated to individuals or organizations that subscribed for a number of units above their allocation, on a pro rata basis. There is no guarantee that you will receive the number of units that you applied for, in which case you will receive a refund for the units that you subscribed for but did not receive.

17. What happens if the New Units were subscribed, by the Rights were subsequently sold?

If a holder of Rights subscribes for New Units during the Subscription Period, but subsequently sells the Rights without purchasing a number of Rights equal to the number of exercised Rights prior to the end of the Rights Trading Period, that holder of Rights will only be guaranteed a number of New Units equal to the number of Rights it holds at the time of the allocation of the New Units. Holders of Rights are entitled to subscribe for Additional New Units in excess of the number of Rights they respectively hold, but there is no guarantee that the holders of Rights applying for Additional New Units will receive the number of Additional New Units applied for, and no holder of Rights will receive more New Units than they had subscribed for during the Subscription Period. If a holder of Rights sells his or her Rights during the Rights Trading Period, such holder will not be entitled to receive New Units.

18. Are purchases of additional Rights entitled to trade them again?

Yes, purchasers of additional Rights may sell those additional Rights or any other Rights they hold and/or purchase other Rights, but only during the Rights Trading Period which extends from Monday the 26th of February 2024 until Friday the 15th of March 2024.

19. Can an Eligible Person sell a Right after the expiry of the Rights Trading Period?

No, after the expiry of the Rights Trading Period, an Eligible Person may only choose to exercise the Right to subscribe for the New Units and only until the expiry of the Subscription Period. In the event that this Right is sold prior to the expiry of the Rights Trading Period or is not exercised prior to the expiry of the Subscription Period, the Eligible Person will lose the value of the Rights purchased or granted and his/her portfolio's share of the Fund's capital will be lower.

20. If I apply for additional units, am I guaranteed to receive them?

While holders of Rights can apply for additional units, there is no guarantee that they will receive all of the units that they applied for beyond what their Rights allow. Additional units remaining after the initial allocation will be distributed to holders of Rights who applied for additional units over and above what they are entitled to through the number of Rights they hold, on a pro rata basis.

21. What happens if a unitholder does not subscribe for New Units?

If you choose not to exercise all of the Rights you were issued to subscribe for new units, your percentage ownership of Al Mal Capital REIT will decrease.

This is because, while the total number of units of Al Mal Capital REIT will increase through its capital increase which will be implemented in connection with the Rights issue, the number of units that you own will not increase in the same proportion, unless you exercise all of the Rights you were issued to subscribe for new units. This will have implications - for example, your share of the total dividends paid by Al Mal Capital REIT, and your share of votes at general assembly meetings will decrease.

22. Can I subscribe to the Rights issue if I am not a unitholder of Al Mal Capital REIT?

Yes. You can buy Rights to subscribe for Al Mal Capital REIT units on the DFM during the Rights trading period between Monday the 26th of February 2024 until Friday the 15th of March 2024. You can do this through a DFM-registered broker. Once you own the Rights, you can subscribe to units during the subscription period.

23. Can I subscribe if I am outside the UAE?

The subscription will be open in UAE to UAE and GCC Individuals and Institutional subscribers.

Eligible individuals who are temporarily outside the UAE during the Subscription Period can subscribe for New Units and Additional New Units (if any) either by giving someone else in the UAE a power of attorney to subscribe for such New Units and Additional New Units (if any) on their behalf or through the electronic subscription methods described above.

In case the signatory is different, please abide by instruction under question 7. Note that the applicant's passport copy, or Emirates ID, should accompany the duly signed subscription forms and T&C's.

24. Can unitholders subscribe for Additional New Units?

Unitholders may subscribe to New Additional Units if they purchase additional rights during the Trading of Rights period. In addition, eligible persons are entitled to apply to subscribe to the Additional New Units ("Additional New Units"), which will be allocated in the event of surplus New Units not subscribed as a result of the compilation of fractures/parts of the new units or the failure of Eligible Persons to exercise their subscription rights in the Additional New Units.

25. What happens to Rights that are unsubscribed at the end of the Subscription period?

If you do not wish to subscribe for the New Units to which you are entitled, you can choose not to exercise your Rights. In such circumstances, the number of New Units to which you are entitled will be subscribed for by those holders of Rights who have applied for Additional New Units. You will not be entitled to any compensation in respect of any Rights not used to subscribe for New Units.

26. Will there be any additional fees for trading in Rights?

It is expected that the same commissions that would apply to the sale and purchase of Units will apply to the sale and purchase of Rights.

27. What should I do if I think my holding of Units is incorrect?

If you have bought or sold Units shortly before the Eligibility Date, your transaction may not be entered on the register of members in time to appear on the DFM register as at the close of business of the DFM on the Eligibility Date. In order to receive Rights on the Eligibility Date, you must ensure that you execute any purchase orders for units at least two days prior to the Eligibility Date, i.e., on or before Wednesday the 21st of February 2024, to allow for the settlement of trades on the DFM (which operates on a T+2 basis). If you are concerned that your holding of Units is incorrect, please contact your DFM broker.

28. What is the number of Rights to which I am entitled is not a whole number; am I entitled to fractions of Rights?

Your entitlement to Rights will be calculated as at the close of business of the DFM on the Eligibility Date. If the result of this calculation is not a whole number, your entitlement will be rounded down to the nearest whole number of Rights and you will not receive a Right in respect of the fraction of any Rights. The New Units representing the aggregated fractions not allotted as a result of the rounding exercise will be allocated to those holders of Rights who have subscribed for Additional New Units.

29. Will I receive a refund if I do not receive the number of the Additional New Units I have applied for?

Yes, you will receive a refund in respect of the number of Additional New Units that you have not received. It is anticipated that refunds will be made on or around Tuesday the 2nd of April 2024.

30. What if I want to sell the New Units for which I have paid?

After the commencement of dealings in the New Units on the DFM (which is currently expected to be on or around Friday the 5th of April 2024, you will be able to sell your New Units in the ordinary course.
